

## Progrow Supply Heavy Winter Protection (White)

| <b>PROPERTY</b>       | <b>TEST METHOD</b> | <b>UNIT</b> | <b>ROLL VALUE</b> |
|-----------------------|--------------------|-------------|-------------------|
| Tensile Strength      | ASTM D 4632        | Lbs         | 160               |
| Elongation            | ASTM D 4632        | %           | 50                |
| Trapezoidal Tear      | ASTM D 4533        | Lbs         | 60                |
| CBR Puncture Strength | ASTM D 6241        | Lbs         | 410               |
| AOS                   | ASTM D 4751        | Sieve       | 70                |
| Permittivity          | ASTM D 4491        | Sec- 1      | 1.5               |
| Water Flow rate       | ASTM D 4491        | Gpm/ft      | 110               |
| UV Resistance         | ASTM D 4355        | %/hours     | 70/500            |
